DISCOVERY ORDER

FRED ALGER & COMPANY, INC.,

Defendant.

-----X

KATHARINE H. PARKER, United States Magistrate Judge:

The Court is in receipt of the parties' status letters, both filed on August 31, 2020, regarding discovery. (See ECF Nos. 61 & 63.) In light of the parties' various requests, it is hereby ordered that Defendant provide Plaintiff with one additional three-hour time period for the completion of Mr. Liebes' deposition—beyond these three hours, no other time will be allowed for completing the deposition of Mr. Liebes. Regarding follow-up document requests in the wake of the recently conducted deposition sessions, as well as the final deposition in this case yet to be conducted, all such requests shall be limited to requests for newly discovered documents based on the answers given at the depositions; the discovery deadline for interrogatories and requests for admission has passed, and the Court hereby deems discovery otherwise closed. As such, Defendant is not obliged to respond to the interrogatories served on August 28, 2020. (See ECF No. 61.) Plaintiff's counsel must serve all future document requests on Defendant within seven days of receiving the official transcript of a given deposition session.

Further, all counsel are reminded that the Court expects them to be professional and courteous in interacting with one another.

SO ORDERED.
